 Competence Center / Conformity Assessment Body
 Automation - Functional Safety & Cyber Security
 Am Grauen Stein
 51105 Köln

- hereinafter referred to as **A-FS&CS**

Preamble

A-FS&CS and the Company are independent TIC organisations providing safety and quality related services on functional safety and/or cyber security for technical products, -systems, -processes and trainings for personnel qualification. Responsibility for certification inspection and testing / qualification lies with the accredited conformity assessment bodies at TÜV Rheinland Industrie Service GmbH, RegSegM A-FS&CS only. Further on referred to as A-FS&CS. The accreditations based on DIN EN ISO/IEC 17020, DIN EN ISO/IEC 17025 and DIN EN ISO/IEC 17065 including the scopes are held by A-FS&CS (see Accreditation Roadmap or DAkkS Webpage for D-IS-11052-04-03, D-PL-11052-01-00 and D-ZE-11052-02-01). Services related to UN ECE regulations related to FS and/or CS are performed on behalf of BS M under the QM System of A-FS&CS are also covered by the agreement also.

As such A-FS&CS is the responsible TÜV Rheinland operation for the organization and coordination of the global functional safety and cyber security services regarding the QM-System, audits, processes and issuance of certificates in the related scope, including the following services provided by Company:

	Task, Service Area	Safety service performed by Company
